

## OHIO HISTORICAL DECORATIVE ARTS ASSOCIATION

The Board of Trustees and the OHDA membership would be happy to review grant applications related to Ohio decorative arts at their spring and fall board meetings/trips.

-The application can be found on our website, [ohdaa.org](http://ohdaa.org). The application can be downloaded and prepared online, or the application can be printed and manually typed. We do not accept hand written applications.

- OHDA will expect that groups requesting grant funding will finance some portion of the project for which grant funds are requested.

- If funding is requested for restoration of an Ohio object, a color photograph clearly showing the object should accompany the grant request. We would also like to see a statement from a restorer, highlighting the recommended work and the cost.

- Completed grant applications should be submitted to OHDA President, Henry Taylor. They can be submitted electronically to Henry at [htaylor176@wowway.com](mailto:htaylor176@wowway.com), or by mail to Henry Taylor, 176 Amazon Place, Columbus, OH 43214-3504. Questions on the preparation of the application can be sent to Henry's email address.

**Grant money can be used to** research, (and publish results in-house or commercially), the historical decorative arts of Ohio, such as for a conference presentation, interpretive experience, workshop, radio, or other media program, for a journal article, or catalogue. Grant money can be used for events or exhibitions that promote the study, appreciation and preservation of the historical decorative arts made in Ohio. Grant money can be used to preserve and restore made-in-Ohio historical decorative arts. **Grant money cannot be used to** purchase equipment, to catalog, and/or digitize collections, for fund raising or to pay consulting fees, or wages. Please submit a typed form. Applications for restoration/ preservation grants should include a clear 'before' photograph of all objects. We will also require an 'after' photograph. We will add both photos to the OHDA website, ohdaa.org.
